

## Mission Statement of the Assemblies of Yahweh

It has been the purpose of the undersigned to fulfill the prophecy of our Savior, Yahshua the Messiah, found in Matthew 24:14. Therefore, we make the following statement:

The purpose for which this corporation has been formed is:

"To teach and preach the Word and sacred Name of our heavenly Father and the Truth of the inspired Scriptures, to promote the interest of religion and the spread of spiritual holiness throughout the world, to assemble for worship to accomplish these beliefs and purposes and to engage exclusively in such religious, educational, and charitable purposes as are within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1954 and its regulations as they now exist or as they may hereafter be amended."

## *Greetings and Welcome ...*

to this Radio station WMLK informational pamphlet. The Assemblies of Yahweh® began in 1966 to proclaim Yahweh's Truth using the **Sacred Name Broadcast**. As the need to reach more people grew, the Assemblies of Yahweh purchased and installed a 50,000 watt shortwave transmitter near the Headquarters in Bethel, Pennsylvania. This transmitter, which began broadcasting full-time in the spring of 1985, has since brought in response from every continent on the face of the earth. As interest in the Assemblies of Yahweh's message grows, the need for a more powerful transmitter was realized.

In 2000 we purchased a 250,000 watt transmitter, which has since been installed and will be on the air six days a week.

The Assemblies of Yahweh holds a conservative stand on religious interpretation. We adhere closely to the sacred Scriptures and live by every Word that Yahweh spoke. This message, which is a continuation of the apostolic message, is being proclaimed not only on shortwave, but also radio (via **The Sacred Name Broadcast**) and television (via **The Sacred Name Telecast**). We also produce a wide variety of literature that can be requested free of charge. We also maintain assemblies around the world, which help to encourage sincere Truth seekers.

I hope that you contact the Assemblies of Yahweh and request more information which will enable you to learn more of the Truth contained in the sacred Scriptures. We also offer a QSL letter for those who respond to radio station WMLK's programming.
